Deputy Director for Telecommunications  
and Computer Services, Att: DDT  
National Security Agency  
Ft. George G. Meade, Maryland 20755

25X1A

Dear [REDACTED]

Attached is the rate schedule which we use in our monthly project accounting reports. We do not claim it reflects the true costs of providing each service, but it does provide a reasonably well balanced basis for measuring the relative costs of the services provided. I have annotated some explanatory notes on the attachment.

We enjoyed your visit and plan to take you up on your offer to reciprocate.

[REDACTED]  
Clifford D. May, Jr.  
Director of Data Processing
